ORDER

LEWIS J. LIMAN, United States District Judge:

The Court held a conference in this case today, October 16, 2024. Counsel for Plaintiff appeared as did a lawyer for the Social Security Administration. As discussed at the conference, service on Defendant was not effective consistent with Federal Rule of Civil Procedure 4(i)(2) because the United States has not been served. Plaintiff shall have until October 18, 2024, either to serve the United States or to demonstrate cause why that deadline cannot be met. Plaintiff shall also address the numerous defective pleadings on the docket by October 18, 2024. Assuming that service is properly effected, the parties shall write to the Court by November 22, 2024, with their views on how the case should be managed.

SO ORDERED.
